Mr. Lawrence Turco
C/O The Architects Golf Club
700 Strykers Road
Lopatcong, NJ 08865

Dear Mr. Turco,

I have coached golf at Wallkill Valley Regional High School for 29 years and have been the caddie master at Ballyowen the past 10 years. I wanted to write to you about the quality facility and level of service experienced at today's HWS Tri County High School Boys Tournament. Chris McDermott and his staff are to be complimented on their professionalism and the respect and dignity in which we were treated with today. Upon arrival, outside service staff greeted us and directed us to the range where complimentary range balls were available for the competitors to warm up with, free of charge! Your short game and bunker practice areas were open and available to us as well.

Outside staff went out of their way to shuttle players and coaches back and forth from the clubhouse. The Pro Shop attendants were available and helpful in answering questions and providing additional score cards for the coaches and the players. Staff even assisted in shuttling players out to their assigned holes making a chaotic process very smooth and problem free. The Food and Bev folks were on point and had food and beverages available for the players as they made the turn efficiently, avoiding the all too often log jam that occur. Greensmen did an outstanding job in setting up the course to be a fair and challenging test of skill and could be seen syringing the practice green and monitoring course conditions throughout the day. And the course conditions were very good. What a first rate facility! What a first rate experience! You should be very proud of your staff and the job they are doing.

Again, I have coached for 29 years, have been to over 75 tournaments with my teams at courses and facilities of all stamps. Today's experience ranks among the finest I have seen over the three decades and I wanted you to know that we appreciated how well the day went. Thank you and thank you to all the staff that made it possible!

Truly,

Mike Harris
